UNITED STATES SENATE SHOWING ABILITY AT LAST

THREE BILLS TOTAL
OVER \$860,000,000

(By The Associated Press)
WASHINGTON, Feb. 18.—By passage in six hours today of three annual appropriation bills, the Senate demonstrated its ability to work, when in the mood. With only eleven working days remaining of the present session, the Senate today gave the House a lesson in efficiency by passing all of the regular appropriation bills by March 4, as requested by President-elect Harding.

The three bills passed today were the postoffice budget, carrying \$574,000,000, the annual diplomatic and consular bill totalling \$140,000 in its appropriations, and the \$276,000,000 deficiency measure. Senate amendments increased the three bills about \$45,000 over totals voted by the House, which will necessitate adjustments in conference.

All except one of the appropriation bills had passed the House tonight, but the Senate still has to pass six—the army, navy, agriculture, rivers and harbors, fortifications and general deficiency bills. Only two of the regular supply bills, the annual postoffice bill and the District of Columbia budget have been completed by both bodies of Congress and sent to President Wilson.

Hope to Pass All Measures.
Some Republican leaders express hopes of enacting all of the appropriation measures before adjournment, but others have abandoned hope of passing the navy budget, and possibly the army bill. Hearings on the navy bill were reported out of committee nearly next week.

Passage of the postoffice bill today was marked by rejection of a filibuster budget have been completed by both bodies of Congress and sent to President Wilson.

WICKER CHAIR PLAYS IMPORTANT PART IN MATEWAN MURDERS

Believed One of Victims
Rested in It Before
Death

MORE EVIDENCE
AGAINST HATFIELD

(By The Associated Press)
WILLIAMSON, W. Va., Feb. 18.—A wicker chair with an alleged bullet hole thru the back, played an important part in the Matewan battle here today. J. W. Ferguson, one of the seven Baldwin-Felts detectives who were killed in the fight rested in the chair on the back porch of Mrs. Mary Duty's home before he was killed, several witnesses testified.

John A. Kerst told the jury that he assisted Ferguson to the Duty home after the detective had been wounded. He said he ran from the porch when several men armed with rifles came thru the house from the front. He said he had not gone far when he heard shots. He turned into an alley on which the Duty home faced, and he saw Ferguson lying dead in the roadway with several men near the body, the witness said.

Captain Avis of counsel for the state introduced the wicker chair as an exhibit. Pointing to the hole in the back he said he intended to prove that the wounded man had been shot again and killed after he was taken to the Duty home.

Harry S. Stanton, a justice of the peace was one of nine witnesses heard today. He said that he went to Matewan after the fight where he met Sid Hatfield, a defendant. He testified that Hatfield shook hands with him and told him that he had killed three of the Baldwin men.

Another witness, Miss Bessie Hamilton, told the jury that after the fight she saw three bodies lying in the street. Sid Hatfield searched two of the bodies, she said, adding that latter she saw him kick the prostrate form of a man.

WILL TRY TO SEND TARIFF MEASURE TO CONFERENCE

Supporters Will Endeavor
To Get It Out Saturday

OPPONENTS OF BILL
MAKING HAY

(By The Associated Press)
WASHINGTON, Feb. 18.—Supporters of the Fordney emergency tariff bill will move tomorrow to send the measure to conference on the senate amendments, house leaders having agreed today to clear the parliamentary paths.

The measure was the subject of numerous conferences today among leaders. They decided finally to attempt again to get the bill sent to conference by routine procedure failing in which the rules committee will be asked to give the bill a privileged status. It can be considered immediately and sent to conference by a majority vote.

Chairman Campbell of the rules committee said today after going over the ground with Representative Mondell, Republican floor leader, that he saw no hindrance to putting thru the special rule which will be requested. While supporters of the bill were searching for a way out, its opponents were making hay and their leaders declared had stirred up a fighting array of some strength.

Acting Chairman Green, of the ways and means committee however, believed that the opposition would not be sufficiently strong to divert him from the decided course.

Colonel Smith's silence has had politicians guessing for several weeks. Different interpretations have been made of it.

Told some of his closest friends intimated he would not accept a state position Smith said:

"Well they are right so far."

Rumor the last week has mentioned Smith as a possibility for United States internal revenue commissioner.

JUDGE M'GANNON IS
ACQUITTED BY JURY

CLEVELAND, O., Feb. 18.—William H. McGannon, chief justice of the municipal court on trial for the second time, was acquitted on the charge of murdering Harold C. Kagy in circuit court today.

BANDIT SHOT IN ATTEMPT TO ROB OKLAHOMA BANK

Leader Shot Down by
Former President
of Bank

COMPANIONS BEING
HUNTED BY POSSE

(By The Associated Press)
HARRISON, Ark., Feb. 18.—Somewhere in the hills of Boone county several miles south of Harrison, two men were being sought tonight by a posse as the alleged companions of Henry Starr, notorious bank robber of Oklahoma, who was seriously wounded in an attempt to rob the Peoples' State Bank of Harrison this morning.

Starr lies on a bed in the county jail here in a serious condition but with possibility of recovery, according to attending physicians. Starr stoutly refused to give any information as to the identity of his companions saying:

"I cannot talk of them."

Starr was shot by W. J. Meyers, former president of the bank and a stockholder. Meyers walked into the bank during the hold-up and was ordered into the vault. He complied but grasped a rifle secreted in the vault and protected by the darkness of the recesses opened fire on Starr. Shot thru the body just below the heart, Starr fell and his companions fled.

No money was obtained by the escaped bandits as Starr had stuffed all available cash into his pockets. The robbery evidently was well planned, as all wires leading from Harrison had been cut.

The last robbery in which Starr participated was a raid on two banks at Stroud, Okla., March 27, 1915. He was wounded and captured. Conviction followed and he was sentenced to 25 years in the Oklahoma penitentiary. Starr was paroled by Governor J. B. A. Robinson of that state in March, 1919, and since then he had gone straight.

His wounding was the result of the setting of a "bandit trap" twelve years ago by W. J. Meyers, 63 years old and former president of the Peoples' Bank. Meyers said tonight: "He had a rear door built into the vault then, 'just in case anybody should try to rob us, we'd have a way out,' he told his employees. A loaded rifle has been kept in a corner of the vault since that time."

SMITH'S INTENTIONS ARE STILL UNKNOWN

Visits Springfield and Departs for
Washington Without Saying
Whether or Not He Will Accept
Utility Job

(By The Associated Press)
SPRINGFIELD, Ill., Feb. 18.—Frank L. Smith appointed last month by Governor Small as chairman of the state public utilities commission arrived in Springfield tonight and will probably return to Washington to end his term as congressman from the seventeenth district without stating whether he will accept or decline the appointment.

He did not wait to come to Illinois without coming to pay his respects to the governor, the Republican state chairman said. "I will see him tonight or tomorrow but I do not expect to have anything more to say about the appointment before I leave tomorrow."

Colonel Smith's silence has had politicians guessing for several weeks. Different interpretations have been made of it.

Told some of his closest friends intimated he would not accept a state position Smith said:

"Well they are right so far."

JUDGE M'GANNON IS
ACQUITTED BY JURY

CLEVELAND, O., Feb. 18.—William H. McGannon, chief justice of the municipal court on trial for the second time, was acquitted on the charge of murdering Harold C. Kagy in circuit court today.

From the start the majority of the jurors favored acquittal, the first five ballots standing eight to four for acquittal, the sixth eight to three, the seventh, eleven to one, the jury agreeing on the eighth.

The three women on the jury refused to comment on the case. The jury in the first trial were unable to agree on a verdict after 48 hours deliberation.

Judge McGannon did not sit on the bench after he was indicted pending the outcome of the trial. "I expect to resume my position on the municipal bench after a brief rest," he announced after hearing the verdict.

IDENTIFY DEALER IN SACRAMENTAL WINES AS WHISKEY RING HEAD

Morris H. Gindich Said to be
Mysterious Max
Bergson

BIG LIQUOR
SHIPMENT PUT THRU

(By The Associated Press)
CHICAGO, Feb. 18.—A surprise was sprung by the government today in the "Mike de Pike" Heitler whiskey ring case when Morris H. Gindich, a dealer in sacramental wines, was pointed out by a witness as a mysterious Max Bergson, who is said to have manufactured the shipment of the 1,000 cases of whiskey which formed the nucleus of Chicago's most notorious whiskey ring deal. The "Bergson" with Heitler was known as a master mind of the whiskey ring.

The identification was made by Charles Jenkins of Peoria, Ill., chief recognition clerk for the Peoria & Pekin Railway. The identification was an unexpected move in the government's attempt to show that the Heitler "whiskey ring" bought the whiskey of the Old Grand Dad Distillery in Louisville, shipped it to a purchaser in Peoria and had it reconsigned to Chicago where it was unloaded with the connivance of the police and federal officials.

Joseph M. Hickey, agent for the Louisville & Nashville Railway at Hobbs, Ky., and superintendent for the Grand Dad Distillery, testified today that he had shipped 1,000 cases of whiskey to "Max Bergson, of Peoria, Ill."

TRUSTEES WILL TRY TO CLAIM MILLIONS

Effort Will Be Made to Get Back
Money Ponzi Paid Out Just Before
He Was Thrown Into Bankruptcy

(By The Associated Press)
BOSTON, Feb. 18.—The millions that Charles Ponzi paid out in order to establish the confidence that would keep more millions coming in to his quick-rich scheme are to be reclaimed by his trustees in bankruptcy. The trustees today announced that they intended to go to the courts to compel restitution by every person who received money from Ponzi whether in payment of matured notes for principal and interest, at forty percent or on refunds on investment.

With the assets now in hand, the money thus regained and other sums will be pooled under the trustees fund and out of the combined funds those who had declined to sue Ponzi will obtain their proportionate share on the basis of original deposits. The trustees said that Ponzi paid out \$5,000,000 in refunds in a week or ten days prior to his failure last August.

JUDGE ANDERSON REFUSES PLEA

INDIANAPOLIS, Ind., Feb. 18.—Judge Anderson in the United States district court here today declined to issue a temporary restraining order against the Indiana Public Service commission asked for by the Baltimore & Ohio and other steam railroads in the state. The restraining order would have prevented the public service commission enforcing the interstate tariff established by it and from prosecuting the railroads for failure to abide by the state commission's orders.

Insufficient evidence that an emergency existed prompted the judge's refusal, he said. Hearing on the request for a temporary injunction was set for Feb. 25.

TROOP WINS AMATEUR CUPS

Kansas City, Feb. 18.—The Interstate amateur cup, the first annual trophy of the year, was won by Frank Troer of Vancouver, Wash., who broke 96 targets out of 100. His closest opponent was R. A. King of St. Louis who scored 90. Ole Osborne of Courtland, Kansas, Harry Snyder of Kansas City and Frank Hughes of Bridgeport, S. D., tied for third place with a score of 88.

Mark Arle, of Hannibal, Mo., and William Killam, St. Louis, were high professionals with 93 and 92 respectively.

The national wing shot handicapped trophy for which forty-eight shooters competed was won by Thompson of Canville, Mo., who scored 25 straight.

Springfield, Ill., Feb. 18.—Trustees of the university of Illinois in session with Governor Small today went on record as favoring the establishment of a college of veterinary science in connection with the university. Following the recommendations of a commission appointed in 1919, the board today presented its plan to the general assembly.

The new trustees, Mr. Helen Matthews Grigsby, Pittsfield and William L. Sells, Evanson, whose terms, with that of Mrs. Laura B. Evans, re-elected in last month met with the board today.

WILL NOT COUNTENANCE
"VEILED CAMPAIGN"

(By The Associated Press)
OTTAWA, Feb. 18.—Charges that instigators of the "open shop" movement in the United States are extending their campaign into Canada were made here today by Tom Moore, president of the Canadian Trades and Labor Congress. Mr. Moore's statement was in reply to an address made last night by N. J. Kennedy, president of the Builders' Employers' association of Detroit, Mich., before the local branch of the Canadian building industries association.

In a Kennedy said that the United States "had been run for the past four and a half years by Samuel Gompers and the last election was a mandate to the government that the people were tired of being dominated by the American Federation of Labor."

"Why did not Mr. Kennedy put aside all camouflage," said Mr. Moore, "and come out in the open as one of the instigators of the movement, started on the United States and having as its object the disruption of the international trades and labor movement."

"I might remark that Mr. Kennedy does not hail from a city that has anything to recommend for its treatment of labor or labor problems. I believe we can show him something much superior right here in Ottawa."

DIVERT RAILROAD TO RUN INTO LAKE

Was Discovered Before Any Accident
Occurred — Two Arrests
Were Made

DUBLIN, Feb. 18.—It is officially announced that the tracks of a railway line in County Donegal on Wednesday were diverted from the permanent way to run in to a lake between Cashelmore and Gweedore. The outrage was discovered however, before a mishap occurred.

Today's official review says the report of outrages in the last week affords grounds for satisfaction. The greatly reduced number of casualties, the crown forces, it adds, leads to the opinion that the recent lawless activities have reached the maximum and the arrests and arrests being made daily in the situation shortly. A large quantity of arms and munitions was discovered by the military and police last night at the Asylum of St. John of God, near Sullaghan county, Dublin.

Commerce

RESULT FAVORS
STATE REGULATION

(Continued from Page 1)
CHICAGO, Feb. 18.—Of the 22,861 votes cast in a referendum conducted by the Illinois chamber of commerce, 21,825 were in favor of state regulation of public utilities, according to announcement of the result of the referendum vote tonight.

The resolutions upon which a favorable referendum vote was recorded were that:

"Public utilities should be regulated in an equitable manner, fair and just alike to the companies and customers."

"Electric, gas, transportation and telephone companies having largely outgrown local boundaries should be regulated by a commission maintained by the state and equipped with expert technical advisers, rather than by local bodies of non-experts giving only part of their time to this work."

"Utilities located entirely within one local jurisdiction nevertheless be regulated by a state commission rather than by a local body."

"Appointments to the state utilities commission should be made by the governor under some system that will insure a non-political, unbiased and strictly business-like administration of the affairs of the commission."

NATIONALIZATION OF RAILROADS IS PLAN OF EMPLOYEES

This Accusation is Made by Railway Heads
in Refusing to Enter Into National Conference on Unskilled Labor Wage Question
—Restoration of Efficiency is Their Aim

(By The Associated Press)
CHICAGO, Feb. 18.—The association of railway executives at its meeting today unanimously adopted the report of its labor committee and passed resolutions refusing to enter into national conferences suggested by the employees as a means of settling differences over wages of unskilled labor and working conditions.

The executives denounced the proposal for such conferences, a plan by labor leaders to bring about nationalization of the railroads and declared that they would result in consolidation of the railway unions.

Efficiency of labor upon railroads was incompatible with continuance of the strength and growth of the consolidation of labor unions represented by B. M. Jewell and his associates, the labor committee report said.

The committee report pointed out that the opposition made by the railroads to the national agreements and the position taken today was not to be construed as an attack on labor organizations themselves.

Would Restore Efficiency.
What we have been trying to do and all that we have been trying to do," the report said, "is to get the opportunity to deal with our own employees so as to restore the efficiency of labor on railroads and is possible, avoid non-employment and defer serious wage reductions. The leaders of the labor unions by the position they have taken have directly raised the issue whether the maintenance and increase of the power of the national labor unions shall be placed above the public interest in the efficient and economical operation of our transportation system."

B. M. Jewell, chairman of the railway labor department of the American federation of labor asked the railway labor board Thursday to make an earnest effort to prevent Congress enacting into law pending legislation for the financial relief of the roads said:

"The railroads are thus confronted with this situation while endeavoring to escape from one set of rigid and uniform rules and in Wall Street to break down labor organizations, the report said that the record of the proceedings showed that the roads began their opposition immediately after the transportation system was returned to private ownership, when production was at its height when the demand for labor in all lines exceeded the supply and before the so-called "open shop" movement in other industries began.

The record demonstrates the report said, "that the railroads have acted through independently primarily in their own interest but also in the interest of the shippers and the farmers."

De Laval Cream Separator

The World's Greatest Cream Saver

It is doubtful if in any other industry, any single brand of merchandise or make of machine stands out head and shoulders so far above all others or is held in such universal esteem as is the DeLaval Cream Separator in the dairy field.

It has a greater capacity and skims the cream closer than any other separator. It is easier to turn and easier to wash than any other.

More DeLaval's are sold each year than all other makes combined. More than 2,500,000 are in use daily.

All this evidence of its superiority should convince you that this is the Separator you should buy.

Interesting Program Marked Annual Event of Benevolent Lodge—Dramatic Club to Visit White Hall—Other News.

White Hall, Feb. 18.—The annual roll call of the Benevolent Lodge, I. O. O. F., was held Wednesday night, and there were 160 seated at the banquet tables. It was the best annual affair yet held, and there was a somewhat informal program of music and readings, but no speeches.

The Patterson Dramatic club is again to visit White Hall. It is composed of members of the Patterson school, taught by Miss Edith Hyatt of White Hall. The club gave a performance here a year ago with much success, and on next Monday night they will come again in the comedy of "A Little Woodchopper," with the following in the cast: Roy Wilkinson, A. L. Houghton, Jr., Ernest Carriger, Edith Hyatt, Eva Marsh, Mildred Wood, Fern Ford.

It is to be a Patterson high school benefit, and a large patronage is assured.

Washington's Birthday is to be observed in the First Baptist church next Tuesday evening in a musical program, in which the participants will be attired in colonial costume. This congregation possesses some exceptional musical talent, and the event will be one of unusual importance. It will be under the direction of Miss Emma Duncan, choir leader.

E. M. Phillips was up from Carrollton Wednesday in conference with local members of the Greene County Farm bureau.

A government headstone has been placed over the grave of Capt. John Lorton in the White Hall cemetery. Capt. Lorton was quite distinguished in his day, participating in the Sac and Fox War in Duncan's Brigade of Illinois Mounted Volunteers, and was an Indian agent prior to the Civil War. He died in 1863 at White Hall, and his grave has never been marked until this time.

A headstone has also been placed over the grave of Lieut. Massey Cox in the likely cemetery.

TOURNAMENT LISTS ARE MADE PUBLIC

Seventeen Teams Will Enter This Year—State Board Assigns Officials to Handle the Games.

Principal Shafer of the High school received a communication yesterday from the Illinois High School Athletic association giving the list of basketball teams which will enter the district tournament here this year.

The tournament will be held in the high school gymnasium, March 10, 11 and 12. The two officials assigned by the state board are F. R. Sagle, of the Alton Y. M. C. A. and C. E. Brockman, of Jerseyville.

According to the letter received yesterday, seventeen teams are entered for the district tournament. However, this list may be added to before the final drawing for places.

Other towns may wish to compete, or there may be too many teams in the neighboring tournaments. In such event those teams will enter here, probably bringing the number up to twenty.

Following is the present list: Athens, Auburn, Chandler, Bluffs, Chapin, Franklin, Jacksonville, Meredosia, Murrayville, New Berlin, Pawnee, Petersburg, Springfield, Virginia, Waverly, White Hall, Winchester.

The state basketball tournament this year is larger this year than ever before. The lists for tournaments all over the state include seventy more teams than have ever entered in any previous tournaments.

FRANKLIN HIGH FIVE GIVES WAVERLY SCORE

Lead Waverly Team by Score of 15 to 10 at Beginning of Last Quarter—Game Clean and Fast—Large Crowd Present.

Franklin, Feb. 18.—Franklin high school gave Waverly the score of her young life here tonight when she held her basketball five to a 17 to 16 score.

The game was fast and well played with Franklin leading up to the beginning of the last quarter by a score of 15 to 10. Then Waverly began making a desperate fight to avoid defeat and by the hardest kind of work managed to score seven points.

Waverly's defense stiffened also and Franklin's basket shooters seemed to lose their eye and the result was only one free throw scored during the last quarter.

The game was witnessed by a crowd of over 200 fans and they were kept in a state of wild excitement from the first to the last gun.

For Franklin Seymour and Sweet starred, scoring all of Franklin's points. The guarding of Smith and McLamar also was of a high order.

CITY MATRON MAKES REPLY
In reply to the said statement of Mrs. Laura Duncan, inmate of the county jail, I want to state plainly the facts and conditions.

As city matron I called on Mrs. Duncan and found her on the main floor, corridor running on two sides of the barred cell and an outside door at the end of the corridor. While there in the space of perhaps 20 minutes the turnkey went to that door twice; there was a bicycle in the rear end of the corridor and every indication of constant coming and going, and with no possibility of any privacy whatever.

I went immediately to the court house and asked for Mr. Weatherford, not knowing him personally. I told him why I had come to him and asked for the sake of womanhood to say nothing of common decency that there be curtains hung in the cell to permit privacy. Mr. Weatherford replied in a way I considered arrogant and defiant.

I cannot feel I have exceeded my authority and I believe I am voicing the sentiment of every woman in our city and in Morgan county, as well as those of every man who respects and reveres womanhood. In not only requesting but demanding that the matter should not be lightly passed by.

I called to see Mrs. Morgan this morning but was refused admission by order of Mr. Weatherford. I further want to state I had no thought of criticizing nor antagonizing Mr. Weatherford in this matter and when talking with him and the county commissioner I told them as much, saying, however, if they saw fit to ignore my request that we as women of Morgan county would make note of the same and politically we would be a force to be reckoned with.

EDITH C. NEAL,
City Matron.

FARMERS WILL HOLD CELEBRATION MONDAY

Will Haul Corn on Washington's
Birthday to Aid Europeans.

Morgan county farmers are
planning to celebrate George
Washington's birthday in an un-
usual and most patriotic way.

If, on February 22nd, every
farmer in Morgan county will
take a bushel of corn to his near-
est elevator, there will soon be
two carloads raised to ship for the
Central Europe and Near East
relief.

This is the suggestion which
Farm Bureau is making and with
which many farmers have al-
ready expressed themselves as
willing to comply. Some are
planning to give five bushels oth-
ers ten and one man has decided
to give a wagon load. However,
no comments will be made—be
the contribution large or small, it
is the spirit of the thing that
counts, and this seems a most fit-
ting way in which to celebrate
Washington's birthday.

HOME MISSION WORK IS CONFERENCE THEME

Men of Presbyterian Churches
Heard Interesting Addresses
Fundamental Things in Life
Emphasized.

Presbyterian men to the num-
ber of more than 100 gathered at
Northminster church last night
for a conference on missionary
work. Dr. W. E. Spoonits presid-
ed and the speakers for the min-
istry were, Dr. B. Wren Webb of
Dallas, Tex., Rev. Marion Hum-
phreys of Springfield, and Rev.
Mr. Hindman of Bloomington.
Mayor E. E. Crabtree spoke briefly
from a layman's point of view.
After the two principal addresses
Dr. Spoonits, Dr. Thomas Smith,
Rev. W. H. Marbach and Dr. F. M.
Rule spoke informally.

The ladies of Northminster
church served an excellent dinner,
the bill of fare including things
that men like.

Dr. Webb is a southerner and
referred in a happy vein to his
earlier associations with Dr.
Spoonits and Dr. Landis in Tennes-
see. The purpose of his excellent
address was to give the men a
better understanding of the scope
of home mission work. It in-
cludes the remaking of country
churches and the consideration of
the problem of the alien in this
country. He referred particular-
ly to the city of New York in this
matter, for there are more Ital-
ians there than in Rome, more
Swedes than in Stockholm and the
population of foreign peoples ex-
ceeds that in many of the great
cities of Europe and the near east
countries. Then he gave some
interesting facts about the Indi-
ans, Alaskans, Mexicans and the
white people of the mountains, all
of whom come under board care.
Dr. Webb made mention of
Roger Babson's interview with the
president of Argentina who when
asked how he accounted for the
different developments between
North America and South Amer-
ica, replied: "Those men who
came to South America in the ear-
ly days were seeking gold; while
those who came north to America
were seeking God."

After presenting in a very
forceful way the demands and
need for home missionary work,
the speaker told of the need for
additional funds and expressed
the hope that the great synod of
Illinois will be able to help some
of the non-supporting synods in
other parts of the country.

Rev. W. B. Hindman talked up-
on the theme, "The Future of Pos-
terity," and said that the funda-
mental things that relate to the
people of tomorrow are integrity,
faith and vision. The church
that fosters these things in an in-
telligent and general way is build-
ing for the future. He also quot-
ed Roger Babson, pre-eminent as a
statistician and said that Mr.
Babson presented facts to show
that the religious barometer also
gives the facts about a nation's
business.

As indicated, the local ministers
spoke briefly after the visitors and
altogether it was a very helpful
conference, giving as it did new
of the church a better understand-
ing of the meaning of home mis-
sionary effort.

JUNIOR SENIOR PROM WAS GREAT SUCCESS

High School Event One of Sea-
son's Prettiest—Banquet Hall
Tastefully Decorated.

The Seniors of Jacksonville
high school who gathered last
evening at the Peacock Inn as
guests of the Junior class will
probably not soon forget the
royal way in which they were en-
tertained. Much credit is due
every member of the Junior
class and also to the class advisor
Miss Gregory, for the splendid
success of the affair.

The banquet hall of the Pea-
cock Inn had been most taste-
fully decorated, the senior class
colors of purple and gold pre-
dominating. A beautiful effect
was given by the gold and purple
streamers which covered the cen-
ter light. Yellow window cur-
tains with purple overdrapes com-
pleted the hall decorations.

The guests assembled at 7
o'clock and found their places at
the tables by means of tiny pur-
ple folders engraved with gold
letters and the golden seal of the
class of '21. Daffodils and light-
ed candles adorned each table.

After an elaborate menu had
been served, Reginald Reid, '22,
was introduced as toastmaster.
The toasts, some clever and hu-
morous, others in a more serious
vein, were taken from the seven
letters in the word "Seniors."

The following toasts were given:
Self importance—Edward Alex-
ander.
Exhaustion—Richard Hyer.
Nonsense—Gene Darr.
Ignorance—Emma Leonard.
Oratory—Virginia Cummings.
Ra rah—Lee Henry Gobel.
Satisfaction—Frank Cohen.
After the banquet the tables
were removed and the rest of the
evening was spent in dancing to
excellent music furnished by
Dunlap's Orchestra. Last even-
ing's prom was one of the pret-
tiest and most successful ever
given by the high school students
and was a credit to the juniors.
Both the guests and the hosts en-
joyed it to the fullest extent.

Social Events

Local Artists to Give
Concert at Hospital.

A number of Jacksonville mu-
sicians and artists are plan-
ning a concert to be given at the
hospital Sunday afternoon. It is
to be given for the soldier boys
who are at the hospital. About
twenty of the members of the
local American Legion post will
attend the concert in a body.

Those who will take part in
the entertainment are Mrs. Helen
Brown Read, Mrs. Paul Santwell,
Frank Collins, Miss Horsburgh
and Willard Westner.

Christian Endeavor
Had Social.

The Intermediate Christian
Endeavor Society of Westminster
church had a social last evening
in the church parlors. There was
a regular business meeting held
first. Routine business was
transacted and various plans for
the society's work were dis-
cussed.

The meeting then adjourned
into a most pleasant social
gathering. Much amusement was
afforded by the acting out of
clever charades, in which every-
body took part. Some fine re-
freshments were served and
everybody present acclaimed it a
very successful party.

South Side Circle
Meets at Peacock Inn.

Mrs. J. J. Reeve entertained
the South Side Circle yesterday
afternoon at the Peacock Inn. A
pleasant fire, flowers and candle
light added to the coziness of
the blue room where the meet-
ing was held.

A large number of the mem-
bers were present and heard a
very interesting as well as in-
structive talk by Mrs. Parker
Doan. Mrs. Doan's was "You
Are What You Eat." In her talk
the speaker brought out the
relationship between physiologi-
cal chemistry and food chemistry
as a basis for building family
menus. She emphasized the im-
portance of scientifically select-
ing what we eat.

After the afternoon's discus-
sion a most delightful luncheon
was served and a pleasant social
hour spent.

Boy's Class Had
Oyster Supper.

Mrs. Charles Ehnie's Sunday
school class of the Central Chris-
tian church had a jolly supper
last evening. There are twenty-
four boys in the class and they
were all on hand last evening
and enjoyed a fine oyster supper
in the social rooms of the
church.

The boys have been having a
contest. The class was divided
in half and each Sunday they
learned Bible verses. The win-
ning side composed of those who
learned the most verses were en-
tertained last night by the losers.
However, it was a close contest
for both sides learned a great
many verses.

After the supper there was
plenty of real fun enjoyed by all
the boys and their teacher as
well. The young gentlemen
think Mrs. Ehnie make a fine
Sunday school teacher.

Shiloh Aid Society
Thursday Afternoon.

The Shiloh Aid society met
Thursday at the home of Miss
Emma Dodsworth, north of the
city. A good attendance was pres-
ent. The opening song was
"More About Christ." Mrs. Luella
McGee read the scripture lesson
the thirteenth chapter of the
Corinthians followed by prayer
led by Mrs. Black. The members
responded to the roll call by an-
swering, "Some Way to Have Shiloh
Sunday School." The secre-
tary's report was read and adopt-
ed. The treasurer reported a bal-
ance of \$50.55 from serving
lunch at Mr. Carpenter's sale.

A vote of thanks was extended
to Mrs. Black for the use of her
house in holding the opening
meeting of the society. Several
committees were commended by
the President for their faithful-
ness. An instructive paper on
"Inauguration Day" was given
by Mrs. Edna Strickler. Mrs. Bess
Bourn read an interesting paper.
The closing song was "God be
with us." Then benediction.

Several new members were ad-
ded to the society. Refreshments
were served by the hostess. The
next meeting will be held with
Mrs. Charles Gaines and daughter,
Miss Ethel, on March 17.

Woodson Woman's
Club Held Meeting.

The February meeting of the
Woodson Woman's Club was held
recently at the home of Mrs. John
Baxter, the latter and Mrs. Dallas
Crahn being the hostesses of the
afternoon. It has been the custom
of the club to meet in the church
basement, but Mrs. Baxter ex-
tended an invitation to the mem-
bers to meet at her home this
month and the invitation was
gladly accepted. The large com-
pany of women present found the
occasion a most delightful one and
were very grateful to their hos-
tesses for the hospitality shown.
The decorations were of an es-
pecially attractive kind.

During the afternoon the fol-
lowing program was carried out:
Roll call—Some event in the life
of Washington or Lincoln.
Paper—"The Life of Washing-
ton"—Mrs. Dallas Crahn.
Paper—"The Life of Lincoln"—
Mrs. John Baxter.
Recitation—Doris Elaine Stein-
metz.

Address—"The Work the Wo-
men's Clubs Should do and Are
Doing for the Benefit of the Com-
munity,"—Rev. Mr. Record, De-
catur.

Brief remarks were made by
Mrs. Luella Henry on the general
theme of community life and what
can be done to interest the boys
and girls. There was an informal

discussion along the line of com-
munity betterment and many ex-
cellent suggestions were made for
beautifying the home and the
town as a whole.

At the close of the discussion
came a social hour when the hos-
tesses served delicious refreshments
of fruit salad with whipped cream,
cake and coffee.

Friday Social Circle
Met With Mrs. Miller.

The Friday Social Circle met at
the home of Mrs. J. Marshall Mil-
ler, 760 West North street. The
afternoon was spent in sewing. A
large attendance was present and
a general good time enjoyed by all.
Refreshments were served.

College Classes in
Rivalry at Reception

The annual reception of Presi-
dent and Mrs. C. H. Rammel-
kamp for the faculty and students
of Illinois College was given last
night. It was a joyous event as
the 200 and more in the com-
pany can testify. Following the
custom of some years' standing,
each class put on a special stunt
and the composite program thus
resulting was very clever. The
freshmen won the prize but it
was very evident that the judges
had a difficult time in making up
their minds how to do justice to
all the contestants.

The freshmen gave "The stages
of college life." Some of the
scenes which might be expected in
such a review and others just as
unexpected were presented with
mechanical figures. The whole
show moved along in accordance
with a story in rhyme written by
Miss Winifred Butcher of the
class. There was no denying
that the rhymes added greatly to
the effect.

Hilariously funny is just about
the best description of the carni-
val with its jazz orchestra which
the sophomores staged. Most of
the show was outside the tent,
where Don Henry as barker told
of the wonders of the fat man,
the lion tamer, the snake charmer
and the other "artists" usually
appearing in a high class circus
side show.

The juniors had concentrated
their efforts in a hotel lobby with
its various ludicrous features.
There were many characters but
none more conspicuous than
Andy and Min Gump and their
son, Chester.

The efforts of the seniors are
always anticipated with interest
and there was no disappointment
in their stunt, "A Freshman's
Vision." It told the story of the
freshman who traveled across the
River Styx to consult with the
shades of Illinois College about
proper actions during college life.
While the shades were dispers-
ing this information, another
view showed just the opposite
taking place on college hill. The
contrast was very tough provok-
ing.

The judges were Miss McQuis-
ton, Mr. Swift and Mr. Kitch
and as indicated, their award was
to the freshmen. The prize box
of candy was taken to the dormi-
tory for a midnight feast. After
the program came a social hour
with refreshments and the recep-
tion was one of the most pleas-
ant in a long series given at the hos-
pitable Rammelkamp home.

We have more of those
men's dress socks, in black,
brown and grey, 15c, two

LINSON'S.

MR. FIEDLER TOLD
ABOUT PRODUCE

Local Commission Man Told Ro-
tarians Interesting Facts About
Business—M. C. Hook At-
tended Clinton Meet.

At the Rotary club luncheon
Friday noon, M. C. Hook gave an
interesting review of the inter-
city conference recently held at
Clinton, which he attended as a
representative of the Jacksonville
club. It is a Rotary club custom
for each member at some time
during the year to tell some spe-
cial facts about the business in
which he is engaged. The club
heard with interest the statement
about "The Fruit and Produce
Business" by Charles A. Fiedler.
The speaker gave some general
facts about produce business from
a Jacksonville standpoint, men-
tioning some of the difficulties
which attend the transportation
of perishable products. He ex-
pressed the view that freight
costs have so increased that there
will be a tendency to curtail pro-
duction.

Some interesting statistics in
connection with this statement
were given with reference to the
potato crop for the last three
years. Mr. Fiedler and the firm
he represents have for years been
dealing extensively in apples and
the speaker sketched briefly the
history of the apple industry,
which dates back to the 16th cen-
tury. Today there are more than
2,000 known kinds of apples.
Many trees 50 years of age bear
profitably and one fine tree in a
western state is known to have
lived for 96 years.

Mr. Fiedler offered some worth-
while suggestions for the plant-
ing and care of trees, telling of
the soil requisite for proper
growth and then told some of the
best methods for the proper han-
dling of the fruit. The facts were
given about other fruits and the
whole address was of an inform-
ing kind.
